

Yek7Pay empowers Agents, Retailers, and Merchants with a complete suite of **neo-banking, payment acceptance, and financial growth tools**, designed to simplify operations and maximize profitability.

Our platform enables seamless **Domestic Money Transfer (DMT)** and **Indo–Nepal Cross-Border Remittance**, supported by **AEPS, Micro ATM**, and secure neo-banking services that bring reliable digital finance to every corner of India.

For modern merchants, Yek7Pay delivers advanced **payment acceptance solutions**, including:

- **mPOS (Card Acceptance)** for debit & credit cards
- **UPI Payment Collection via Static QR & Soundbox**
- **Instant UPI alerts for faster customer checkout**

To support business expansion, Yek7Pay also assists **agents and merchants in accessing working capital and business loans**, helping them increase cash flow, expand services, and grow faster with confidence.

Beyond payments, our ecosystem extends to **BBPS, Recharge services**, and a full range of **Travel Services – Flights, Buses, Trains, and Hotels**, along with **GST, ITR, and compliance solutions**, making Yek7Pay a true all-in-one platform.

Built on **secure infrastructure, high uptime, fast settlements, and transparent pricing**, Yek7Pay is trusted by partners

nationwide to deliver reliable services and sustainable growth.

Yek7Pay is not just enabling transactions — it is enabling businesses to grow.
